The Pennsylvania Rallway has notified Mayor Harrison, of Chicago, through its law department, that the company will accept the track elevation ordinance passed by the City Council on June 18. The acceptance was made perfect yesterday by the company's attorney filing a signed copy of the ordinance with the city clerk. The cceptance of the terms of the ordinance by the railroad company means the elevation of 120 miles of railway track within the city limits of Chicago in the next two ars. The total cost of the work is estimated at \$7,000,000. The work will involve the building of more than one hundred subways. Bes'des the Pennsylvania road, four other roads are affected by the ordinance-the Chicago & Alton, the Atchison, ca & Santa Fe, the Western Indiana and the Chicago, Madison & Northern.

PANHANDLE

PREFERRED STOCK NOW ON A 4 PER CENT. PER ANNUM BASIS.

The Southern Railway Controls the Louisville, Evansville & St. Louis-Personal Matters.

In its last fiscal year the Panhandle, it is stated, earned substantially 5 per cent. on its preferred and common stock, and now it is announced that a 2 per cent. semi-annual dividend has been declared on the preferred stock, making 4 per cent. for the year. There is a bare possibility that something may be declared on the common stock during the summer, but in view of the check to business and the campaign this may be deferred till later. While the company has completed a great deal of heavy permanent work on the road, paying for it out of income, there is still a good deal that can profitably be done, and the management is likely to be very conservative with regard to dividends on the common stock. Its policy has always been to Geclare no dividends that it could not main-

The Air-Line Ownership.

The Louisville, Evansville & St. Louis is now given an official standing in the publication of a plan for the reorganization of the Evansville Company, to which the Southern has become a party. Thus, after a checkered independent existence of nearly twenty years, the Louisville, Evansville & St. Louis, now owning 359 miles of road and operating 375 miles, is to be absorbed by a corporation of sufficient strength to make good use of the line. Moreover, the prospective annexation of the Evansville line will for the first time bring the Southern's interest north of the mystical boundary commonly known as "the Potomac and the Ohlo." By securing match the Louisville & Nashville, the Mobile & Ohio, and the Illinois Central, its chief competitors or connections in the Southwest. The predecessor of the present ouisville, Evansville & St. Louis Railroad | which the grounds had been noted. Company was opened for business in October, 1882. The corporation went bankrupt two years later, and was reorganized in 1886. The Western terminus was then at Mount Vernon, Ill. Consolidation with connecting roads at the west carried the line through to East St. Louis in 1889. Early in the hard times of 1894-96 a default of interest occurred, and the present receivership dates from March, 1896. The property clearly cannot be counted on to stand on its own footing through good times and bad under the burden of the former interest charges, and without a controling position in the traffic world. As division of the Southern Railway, with obligations scaled according to the programme, the road may be self-supporting.

Personal, Local and General Notes. J. E. Jenkins, representing the passenger department of the Lackawanna in this dis-

trict, is in the city. Out of 8,300 cars owned by the Chicago & Eastern Illinois all but thirty-six are now quipped with automatic couplers. On Monday the Hocking Valley and the Cincinnati & Muskingum Valley will occupy their new passenger station at Lancaster, O., built at a cost of \$13,000.

W. B. Hutchinson, traveling passenger agent of the Chicago & Northwestern, is in the city. He reports travel to the summer resorts of the Northwest unusually heavy. The Erie Railroad has just received a umber of new palace Pullman sleeping cars, that are said to be the finest products of those shops. They will be put in service

Sixty per cent. of the earnings of the coal output. Since the advance in its rate of 25 cents per ton, which took effect early in the spring, the earnings have steadily increased; old contracts are expiring and others are being made on the new basis. As an instance of what they are doing, quite recently, 14,000 tons of coal were dumped at their piers at Newport News in twenty-four hours at the advanced rate, or a profit over the previous year of 25 cents per ton, showing a net gain in one day of \$3,500.

D. T. Bacon, general manager of the Indiana Car Service Association, yesterday returned from the annual convention of the National Car Service Association, held in Atlantic City. He states that out of thirtysix associations twenty-seven were represented, and one of the interesting features was that a number of freight-traffic managers were in attendance for the first time. An instructive paper was read by H. F Smith, freight traffic manager of the Nashville, Chattanooga & St. Louis. 'All the papers read will be published in pamphlet

Grand Trunk Express No. 3 makes the run of 845 miles from Montreal to Chicago, via St. Clair tunnel, in 23 hours and 15 minutes. The new train No. 1, in order to specially accommodate the people west of London, will run via Chatham and Windsor to Detroit, thence over the Grand Trunk's Detroit and Milwaukee division to Durand. Michigan, there joining the main line from Niagara Falls to Chicago. While this increases the mileage, Montreal to Chicago, compared with the route via St. Clair tunnel, by thirty-two miles, the distance of 877 miles will be covered in the remarkably quick time of 23 hours and 30 minutes, including stops, of which necessarily there

will be few. In years past Cedar Lake, on the Monon, has had a bad reputation for the rowdyism that prevailed there during much of the season that it was used as a summer resort, and this year it was decided to have no Sunday trains run to the Cedar Lake grounds from Chicago. Persons can go there on Saturday night and return on Monday morning at reduced rates. This has led to a better class of people selecting these beautiful grounds for pienics and an entrance to St. Louis the Southern will other gatherings, and as a result every day, except Sunday, large picnic or association trains are run to the grounds, and the re-

There is not so much betting as is usual on the eve of a great race, especially when the number of colleges involved in the decision is taken into consideration. Perhans this is due to the very great uncertainty which enshrouds the whole situation. There is no public betting going on to-night and there will probably be none to-morrow. The afternoon practices developed nothing that was particularly new.

When Umpire Cantillon called the game, at the end of the fifth, on account of darkness, the score stood a tie-3 to 3. The players were called off the field on numerous occasions, owing to the flirtation carried on by Jupiter Pluvius, and the last time they were sent to the bench after the third inning it did not look as if the play would be resumed. Notwithstanding they lost so many games at Detroit and Buffalo, the spectators cheered the men as they walked to the field for preliminary practice. Geler and Gray were both in the game, and they were greeted

with applause when they went to bat. Dammann and McKenna were pitted against each other, and with perfect playing Cleveland should not have scored a run during the five innings. The Hoosiers were lucky to tie the score in the last half

of the fifth and save a defeat. Powers's miss of a third strike after two men were out in the first inning gave the visitors an opportunity to make two runs. Dammann forced in a run in the third inning by passing a man to first with the

DOUBLE-HEADER TO-DAY.

Indianapolis and Cleveland to Play Postponed Game. Manager Watkins decided yesterday to play a double-header this afternoon, playing off one of the postponed games of the

opening series with Cleveland. The first

game will be called at 2 o'clock and the

second immediately after the first contest.

Barnes will be used in the first game, and either Kellum or Guese in the second one. Baseball Notes.

There should be a record-breaking crowd it the two games this afternoon. Viox retired from short in the third ning yesterday because he injured his ankle The dark weather was largely account

able for Powers dropping the third strike on Genins in the first inning. Madison completed a pretty double play in the fifth inning, which prevented Cleveland from cinching the game. Magoon sent one to Genins in the third nning that was as swift as a cannon ball.

It bounded and struck Genins in the chest. Geier was given a round of applause yesterday, and Gray was also cheered. Both men have done well since they joined the The Hoosiers gained a little by Chicago losing yesterday. Manager Watkins is conident that it will be but a short time until indianapolis is again perched on top.

Hartsel is a little too weak to play an

entire game, but he will be kept in uniform

in case of an emergency. The Indianapolis team will line up this afternoon the same Left Fielder Carter, of the Bloomington eam, was injured at Terre Haute yesterday. He was standing on the platform of a street car when it was struck by a switch engine. His foot was crushed, and an amputation probably will be necessary. Pittsburg plays at Cincinnati to-morrow the burned grand stands having been replaced, and this is the first opportunity for the fans to witness a League game for some time. Quite a large crowd will take ad-

vantage of the cheap excursion. NATIONAL LEAGUE.

Three Runs Scored and the Game Won

by Cincinnati in the Ninth. CINCINNATI, O., June 29.-Nichols oitched great ball until the ninth inning today, when two bases on balls and three hits gave Cincinnati three runs and the game. The locals played fine ball in the field, Barrett making a wonderful catch. Breiten-

RYAN'S EASY VICTORY. He Chased Mahoney All Around the Ring for Six Rounds.

CHICAGO, June 29 .- "Syracuse" Tommy Ryan easily gained the verdict over "Young" Mahoney, of Philadelphia, before the Fort Dearborn Athletic Club to-night after six rounds of rather slow work. Ryan, who was in splendid condition, apparently completely outclassed the Philadelphia boy, whose work, though clever, looked like that of an amateur in front of Ryan. Ryan, however, evidently did not try for a knockout, but contented himself with tying Mahoney in knots and outpointing him. Ryan dropped him again with a right hook to the jaw. In the second Ryan followed his man around the ring. punishing him at will and receiving only light blows in return. Mahoney fell in missing a left to the ear after landing once. Mahoney opened the third with a stiff left swing to the stomach, staggering Ryan a bit, but the latter soon recovered and landed four left and right blows to ribs and body, receiving right and left lightly to the ear. There was a sharp interchange to ribs Cincinnati 0 0 0 0 0 0 0 0 3-3 and neck, but the crowd yelled "Take 'em out" as the bell rang. Mahoney got in two fair blows-mouth and chin-in the fourth.
